

A dedicated team for you and your patients

Novartis Patient Support is a comprehensive program that is designed to help your eligible patients start, stay, and save on SCEMBLIX® (asciminib) tablets.

We support you and your patient's journey with:

Insurance Support

Help navigating the insurance process, including benefits verification and support with the prior authorization and appeals processes.

Financial Support

Assistance with relevant savings options for your eligible patients, including \$0 Co-Pay Plus* offer and affordability programs.

Ongoing Support

Dedicated assistance from our team and educational resources to help your patients get started on treatment and guide them along the way.

Get your patients started with guidance along the way.
